Master Craft Printers will be printing our program, so please remember when submitting your ads they can also be submitted electronically, either by e-mail or on disk, in addition to paper format. The preferred format is Adobe Acrobat PDF. The resolution must be no less than 300 dpi. Most major word processing program files are acceptable (i.e. Microsoft Word, Publisher, Adobe Illustrator, etc.), but adjustments or complete reformatting may have to be made to ads when anything but hi-res PDFs are sent.

Also, it is likely that the publisher has the typefaces you intend to use, but it's also possible that a substitution might have to be made. All art and photos must be imbedded or linked, must be high resolution (at least 300 dpi). All ads except the back outer cover will be in grayscale. Electronic files can be e-mailed to april@mastercraftprinters.com. Please note that *Master Craft Printers* provides full graphic services if you wish to save the trouble of ad layout. If you would like to use their services to generate your ad please contact Shanna Holiday-Preston at 301-334-3790 or by email. **Please do not send any payments to Master Craft Printers!!**
